

Leilani Neighborhood Watch Newsletter September 2008

Hi Neighbor,

This past month we had (2) burglaries where some items were removed from inside the houses along with vandalism to a vehicle at a Kupono residence, so please be alert to anything unusual in your area. The Neighborhood Watch phone # is 990-7541 and the police dispatch is # 935-3311.

The Leilani Assn board has asked if the Neighborhood Watch can help them to assemble a semi-permanent work detail team to take on projects around the community—anything from building picnic tables for the community park, constructing improved horseshoe pits, erecting new playground equipment or building and installing bus stop shelters along Leilani avenue. Anyone able to assist us please email me : willingbuilders@hotmail.com

I have only received a few email contacts from you for electronic distribution of this newsletter, so please send me your and your neighbor's email contact : willingbuilders@hotmail.com
