

Leilani Neighborhood Watch Newsletter October 2008

Hi Neighbor,

This past month we only experienced a single theft from a Kahukai residence while other communities have seen huge increases in day-time burglaries and thefts. We've been lucky as the economy continues to deteriorate and need everyone's help to stay alert to anything suspicious. The police dispatch is # 935-3311.

Thanks to all of you that volunteered to assist with projects around the community. I've passed your names to **Mark Hauanio** who will be contacting us later to help out as assistance is needed on various projects.

With the growing Leilani population we're getting more and more complaints of residents screaming out of their driveways without yielding to street traffic first. Street traffic has the right of way, so please yield before entering the roadways !

I still have only received a few email contacts from you for electronic distribution of this newsletter, so please send your email contact to:

leilaniwatch@live.com

We have (20) residents signed up for Emergency Response (CERT) training during the month of January—a huge commitment from all of you which everyone will benefit from in the future, so Mahalo !

We still need volunteers for our regular Neighborhood Watch patrol. Our next meeting is Tuesday, October 28 at 7pm at the Community Center, so please come join us.

- Our next community garage sale is 7-11am Saturday, Nov 1st at the pavilion. Come to buy or sell !
- Everyone is invited to a rock-and-roll dance in the pavilion one Saturday night in November, so watch for advertisements confirming the exact date.
- We have a new email address for Watch related issues:
leilaniwatch@live.com
