

## Leilani Neighborhood Watch Newsletter--February 2009

Hi Neighbor,

This past month we only experienced (3) minor thefts, so again thanks to all the Watch volunteers that drive our roads and make a difference in our community !

We had a great turnout at our last monthly meeting in support of the new Community Policing Officers that are getting settled in—Mahalo! Next week's meeting should include an update from Puna Geothermal as they get positioned to supply more of our local electrical requirements, so bring your questions to the meeting.

Our new Community Emergency Response Team (CERT) has completed their training and should be a very valuable asset to our community in the future. We are arranging on-going first aid and CPR training that we will open up to all Leilani residents to take advantage of and are currently in the process of getting this team resourced with the necessary equipment and certification. If you would like to join our CERT team please email us at: [leilanicert@live.com](mailto:leilanicert@live.com)

The semi-annual Community Potluck/BBQ is scheduled for Sunday, March 8<sup>th</sup> from 12:00 to 3 PM. Bring your favorite dish to share with others-the BBQ meat and drinks are provided by Neighborhood Watch. This event will include live music followed by a kickball competition.
