

Leilani Neighborhood Watch

Newsletter—July 2009

Happy Summer !

This past month I came across notes from the very first Leilani Neighborhood Watch meeting that was held in May of 1996 and although the crime problem has improved (18 burglaries that month of May '96), the old problem of loose dogs has NOT improved with the increased number of residents. No one likes to be chased by loose dogs, so we work closely with both animal control and the local police to remove any loose dogs in the area, but we need everyone's help to re-think your pet situation and either chain up your dog, fence your dog or get rid of your dog !

Our Watch actively patrols weekdays and weekend nights keeping an eye out for you our neighbors, but we have had several volunteers relocate to the Mainland lately and we need replacements. If you are concerned about the safety of your neighborhood and can volunteer one hour per day during the week or an hour a month weekend evenings please contact one of the coordinators at the end of this newsletter, or come to our Watch meeting next Tuesday July 28 at the Community Center to sign up and help us out.

We will be hosting our semi-annual community picnic/potluck in August, so watch for confirmed dates for the big BBQ and make plans to share your best dish with everyone.

We want to distribute this newsletter via email as we move forward, so please continue to send your email contact to : leilaniwatch@live.com
