

## Leilani Emergency Response

Just a few notes to let everyone know what's going on with the Leilani CERT Team this year.

Most of our CERT members have taken their annual re-certification course and are now certified as first responders for another year. Several of our members along with residents of the community participated in and completed the CPR class and first aid courses held in Hilo recently. We were also offered various classes from the Red Cross, Hawaii Department of Health, and the Humane Society in Keeau as well as a 'Mass Immunization' workshop held at the Hilo Hospital that was real challenging---We are ready for action training wise !

We completed construction of our CERT storage area within the community center, so we just need more supplies and goodies to fill it up.

If you are interested in becoming involved with our emergency response team we are taking names and trying to get enough new members for another Hilo-side CERT certification course. Please leave your name at the Leilani office or let any of our CERT members know of your interest.

Remember, you can contact us at [leilanicert@live.com](mailto:leilanicert@live.com) if you have any questions or would like to join our team.

George Kelly---Team Leader
